DEFINING TOMORROW

100 YEARS OF

Innovation
Perfection
Premium quality
Craftsmanship
Integrity

Focused on the tiniest of details, designed for the **utmost durability**, Gitzo uses the **highest quality materials**, raising the bar on what's possible.

All this makes each Gitzo product **a companion for life** and the most **inspirational quality brand** of tripods and heads.

CRAFTING THE EXTRAORDINARY

It takes someone with an eye for every single detail, including those no one else sees, to make miracles like these happen.

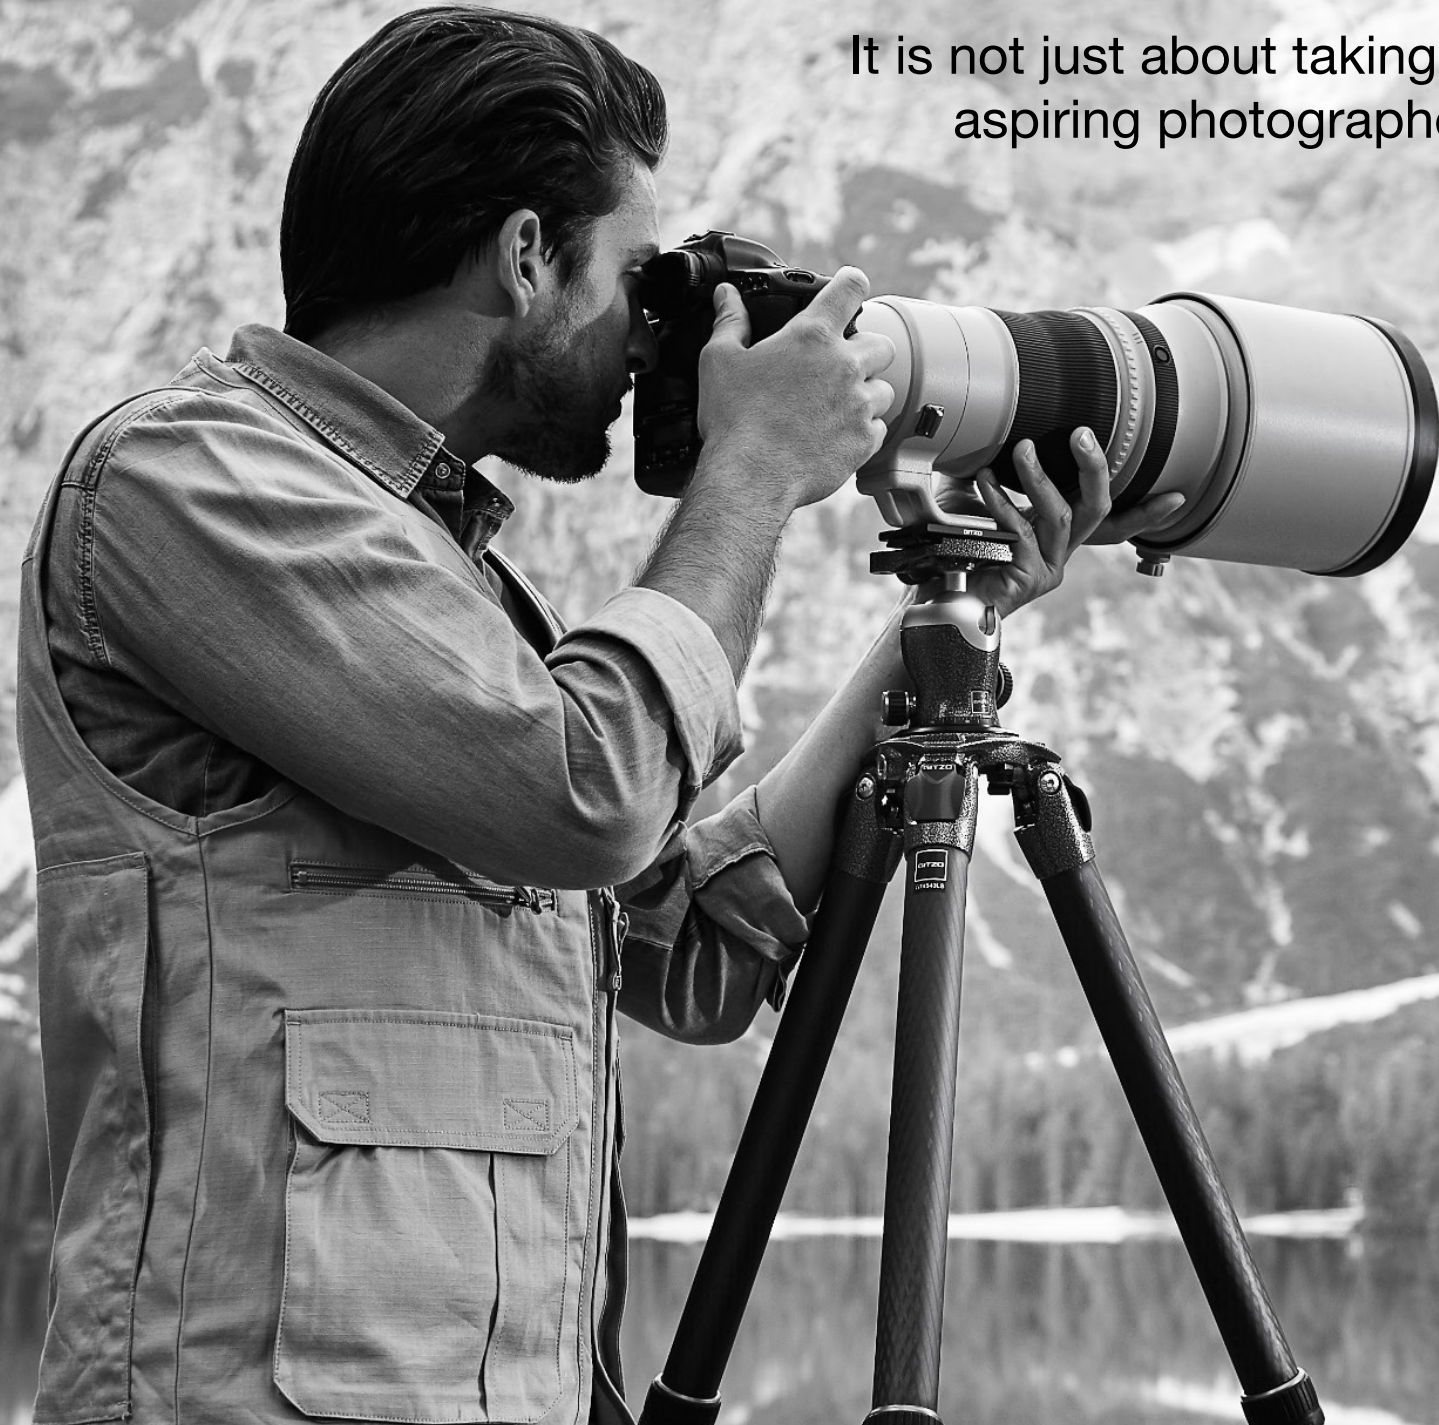

This is the driving force that keeps us focused on the details required to create the most reliable tripods.

Each detail in tripod manufacturing revolves around lightweight, high-quality material, with accurate assembling.

THE CHOICE OF MASTER PHOTOGRAPHERS

It is not just about taking pictures, Gitzo gives professionals and aspiring photographers the means to actualise their visions.

PACKAGING

Both the Arsène Gitzhoven and the 100 Year Anniversary Limited Edition are presented to the customer in an extraordinary way.

The special packaging (white for the Arsène Gitzhoven Edition, black for the 100 Year Anniversary Edition) comes with a hangtag with the name of its very own craftsman.

The refined, branded chest and leather-covered box contain:

- *The tripod's handwritten certificate of origin and authenticity*
- *A dedicated emotional customer booklet*
- *An ergonomic, genuine Italian leather strap*
- *Dedicated tripod accessories, user's manual and warranty.*

HANG TAGS

The hang tag is an **elegant mix of Italian genuine leather with carbon fiber look**, the same used for the shoulder strap and the bags collection, and a matched color cardboard with the craftman's name.
