

536150 Universal Screen Protector

- 3 peices of 4inch screen protector film

The Inca UniversalScreen Protectors are an optically clear protective sheet to protect your camera's LCD monitor from dirt, scratches and oily fingerprints.

It can be cut to various sizes to fit most digital cameras or other devices with an LCD screen up to 4.0".

Contains 3 screen protector sheets and aplicator card

Key Features:

The INCA Screen Protectors prevent accidental scratching so that you can get on with the job of taking amazing photographs without the worry of accidentally damaging your screen.

Annoying screen smudging is reduced with the Screen Protectors, leaving your screen clean and easy to view. Your eyes will thank you for the reduction in screen glare that the Screen Protectors create, making your camera more comfortable to use in broad daylight.

Application of the Screen Protectors is made easy with each Protector featuring its own printed guide. These guides aid you to accurately cut the Protector to the required size for your camera.

Includes:

- 3 x screen protector sheets
- Wet cleaning preparation wipe
- Dry cleaning wipe
- Squeegee application card
