

Pro Light Video Case

Everything You Need in One Case

The Pro Light Video Case is a perfect compact video camera case for professional videographers. Thanks to Manfrotto "Flexi" dividers, each case is extremely versatile when it comes to space arrangement. Made with durable and strong ripstop nylon, and using the Manfrotto Camera Protection System (CPS), the Pro Light Video Cases absorb shock & protect the camera.

To find best bag for your camera & gear refer to the Manfrotto fitting chart below:
