

XPRO monopods

Solid and Fast Set-up

Higher locking power that doesn't compromise ergonomics: the QPL single-handed opening mechanism enables quicker, more comfortable set-up.

New rubber leg-warmer

The new rubber leg-warmer, with the Manfrotto logo on it, provides an exceptional grip while giving outstanding style.

D-shaped fortified aluminium tube

The new D-shaped tubes ensure great stability hindering undesired rotation movements inside the locking mechanism.
