

befree One

Designed to be Ultra-Compact and lightweight, Befree One is the most portable Manfrotto tripod dedicated to photographers who love to travel.

A high quality tripod that fits into carry-on luggage and backpacks; it's a dream come true for any photographer on the go.

Max height with column extended

130 cm

Closed height

32 cm

Weight

1.3 kg

Portability

The unique folding mechanism makes the tripod only 32cm when folded, making it the perfect travel companion.

Leg Lock Mechanism

The tripod's legs can be spread independently, with two-position leg angle stops.

Aluminium Ball Head

Safely hold 4kg for greater stability even with long zoom lenses, the large ergonomic locking handle steadily locks your camera in the desired position.

Padded Carry Bag

Padded durable carry bag for storage and transport.
