BEFREE CARBON TRIPOD

Introducing the premium Italian design travel photography tripod
Now even lighter and more compact than ever!

MKBFRC4-BH Technical Specifications

- Max Height: 142cm
- Closed Length: 40cm
- Weight: 1.1kg
- Max Load: 4kg

Portability

The unique folding mechanism makes the tripod only 40cm when folded, making it the perfect travel companion.

Aluminum Ball Head

Safely hold 4kg for greater stability even with long zoom lenses, the large ergonomic locking handle steadily locks your camera in the desired position.

Lightweight Carbon Fibre Legs

100% carbon fibre legs ensure rigidity and transportability - weighing only 1.1kg - 20% less than its aluminum version.

Leg Lock Mechanism

The tripod's legs can be spread independently, with two-position leg angle stops.

Padded Carry Bag

Padded durable carry bag for storage and transport.
