Features & Benefits

LIGHTWEIGHT AND MINIMALIST DESIGN

Gives you mounting points on the top and side while leaving all of the camera's vital controls on the right grip and left side easily viewable and accessible.

SOLID AND WELL CONSTRUCTED

Keeps your camera safely in place while shooting.

ADJUSTABLE STRUCTURE

That enables users to connect different types of mirrorless and DSLR cameras to the Camera Cage by simply repositioning the top plate at the correct height.

REVERSIBLE TOP HANDLE

Can be repositioned over the lens area or converted into a side handle.

1/4 AND 3/8 ATTACHMENTS

To attach a wide range of Manfrotto and Wooden Camera accessories. 3/8 attachments are compatible with Manfrotto anti-rotation arms and Arri standard mounting points.

HDMI CABLE CLAMP

Secures video cables and prevents port damage.

Camera Cage Small & Medium – Key Features

Camera Cage 15mm Baseplate MVCCBP

DSLR 15mm Baseplate is a height-adjustable baseplate attachment that provides lightweight 15mm rods at the correct lens height for Mirrorless/DSLR cameras when combined with Camera Cage (Small & Medium). The baseplate is compatible with the Large model as well, which provides a dovetail clamp and rear rods.
