

Introducing 60cm Video Sliders

In just a few simple steps and within minutes professional videographers and photographers can add the value of tracking shots to their videos, achieving a whole new level of creativity that sets them apart from other colleagues in the profession.

This is a sturdy yet lightweight, extremely portable solution that's quick and easy to set up on a tripod, on the ground or any level surface. The slider gives a vast choice of shooting options while ensuring perfectly balanced friction that can easily be adjusted to tailor the creative feel of tracking shots in indoor and outdoor locations.

Numerous standard attachments enable it to be combined with accessories and products such as arms and Digital Director.

Features:

- Slider with extremely smooth and precise sliding movement
- Slider with dry friction system
- Slider with multiple standard attachments
- Slider with leveling bubble for easy setup

Slider 60 + Ball head

Slider 60 + 3W head

Slider 60 + 500 head

Slider 60 + 502 head

Brake & Friction Control

Control the speed & smoothness of your video with the combination of these knobs.

Available in 4 kits to suit your needs
