

Hot Shoe Adaptor

For Sony: Minolta to ISO

PH38402

Connect the old with the new

The Phottix Sony Hot Shoe Adapter (Minolta to ISO) allows Minolta-mount legacy flashes and accessories to be used on the new Sony MI Multi-interface (ISO) hot shoe found on Sony's newer camera bodies. Great for older Sony or Minolta flashes, the Phottix Odin TTL Flash Trigger for Sony and Mitros and Mitros+ flashes.
