

Indra

Battery Pack Light Stand Mount

PH01200

The perfect way to affix your Indra500 Battery Pack to a light stand.

This high-grade aluminum clamp opens to 30mm and is lined with slip resistant materials.

Using the included elasticized strap, the Indra500 Battery Pack is held securely to a mounting bracket. Perfect for on-location work and keeping your battery pack off the ground. The mount features a large thumbscrew for fast and easy use.

What's included:

- Phottix Indra Battery Pack Light Stand Mount
- Mounting strap
