

Phottix Nuada R3 LED Light

The Phottix Nuada R3 Round LED is a *Soft Light*, flattering yet still a powerful light source. Using the latest in LED technology, the R3 is easy to use and perfect for both novice and professional photographers and videographers.

SKU: PH81431

Features:

- Soft light design for 40W of flattering light
- Excellent colour - CRI rating of 95+
- Digital Brightness and Temperature Control
- Power Modes: Battery V-mount or NP (Batteries not supplied) and AC Power (supplied)
- Compact size – 12mm thick

The round design is easily adjustable and perfect for creative work on-the-go. From make-up artists to vloggers and product photographers – the R3 is at home in your studio or on-location.

The Phottix Nuada R3 runs on Sony-compatible V-Mount batteries (not included) and includes a V-Mount to Sony NP Battery adapter, therefore widely available Sony-compatible NP batteries can be used for on-location work. A direct to mains AC Adapter is included (note: this is not a Battery Charger)
