

LUNA II 60 Folding Beauty Dish

PH82760 - Luna II folding beauty dish

The Phottix Luna II 60 Folding Beauty Dish - the next generation of the popular Phottix Luna series.

The Phottix Luna II 60 features:

- Fast set up
- Internal metal supports
- Integrated speed ring
- Compact design

The Phottix Luna II 60 Folding Beauty Dish is Phottix's next generation of the popular Phottix Luna series. Like the original Luna - the Luna II makes taking a beauty dish on location easy.

It folds down and is easier to transport than traditional metal beauty dishes. Great to take on-location. The Luna II features a fixed integrated S-Type speed ring with locking metal supports. The light characteristics of the Luna II are comparable with conventional metal beauty dishes.

The Luna II is the perfect companion to the Phottix Indra series or Phottix hot shoe flashes when mounted on the Phottix Cerberus (PH87308). The Luna II 60 features a white interior, and diffuser and fabric grid.

What's in the box:

Luna II Folding Beauty Dish with white interior (60cm / 24")
