

Hot Shoe Gel Set

30 gels

PH35697

Change the temperature of light

Easily mount gels on hot shoe flashes - with 30 special effects gels included.

Using gels with hot shoe flashes can be challenging. How can you attach them? With Velcro tabs or gaffer tape or some other inelegant contraption.

Enter the Phottix Hot Shoe Gel Set. This set includes a plastic gel mounting bracket that easily attached to most hot shoe flash heads using a Velcro strip. Easy use any of the 30 included gels with hot shoe flashes. The black/silver attachment can be used as a barndoor/flag or a bounce card.

Gel colors include: Gulf Blue, Coral, Dove Gray, Tech Green, Ocean Blue, Sienna, Teal, Soft Gray, Studio Blue, Blue Mist, Tulip, Redwood, Marmalade, Holly, Autumn, Rustic, Country Blue, Evergren, Banana, Purple, Blue Jean, Greentone, Regal Blue, Baby Blue, Ultramarine, Canary, Sky Blue, Primary Red, Deep Yellow, Chestnut.
