

SWIVI S3 Foldable Viewfinder

SWIVI S3 viewfinder provides an extremely clear, magnified view. Essential when shooting video in daylight condition. Magnification mode provides 3 times magnifying view of the camera LCD, or simply flip up the eyepiece to use as a sunshade hood. Rubber eyecup can be changed to right or left eye. Viewfinder attaches to the camera by using the included mounting plate.

How it works:

Attach the mounting plate on the tripod thread under the camera, the plate and the viewfinder frame can be adjusted in all directions to fit different camera bodies. Even those equipped with a battery grip.

SWIVI is a series of professional optical LCD viewfinders designed for video shooting with DSLR cameras.

SWIVI 3 suits:

- All 3"-3.2" 4:3/3:2 screens (DSLR cameras)
